

StenoLease by Stenograph & Vanguard

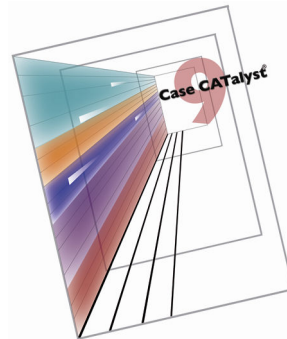

Lease-to-own a brand-new Stentura® Protégé or élan Cybra® steno machine and Case CATalyst® student software while you are still in school knowing you can upgrade them to professional versions when you graduate!

For about \$114 a month you can lease a Stentura Protégé or élan Cybra and Case CATalyst student software on a 24-month lease. When you are ready for professional equipment, you will have a 100% upgrade guarantee on your CATalyst software and a \$1,000 upgrade guarantee on your steno machine within three years of your original purchase date. It's quick. It's easy. Your monthly payment is charged directly to a major credit card to save you the hassle of check-writing.

Stentura Protégé or élan Cybra student machine -- your choice!

Case CATalyst Student Software
